

Welcome to Zagreb

Welcome to Zagreb, the capital city of the Republic of Croatia. Zagreb is an old Central European city. For centuries it has been a focal point of culture and science, and now of commerce and industry as well. It lies on the intersection of important routes between the Adriatic coast and Central Europe.

When the Croatian people achieved their independence in 1991, Zagreb became capital - political and administrative center for the Republic of Croatia. Zagreb is also the center of the business, academic, cultural, sports and artistic life in Croatia. Many famed scientists, artists and athletes come from the city, or work in it.

We will make your visit a memorable one.

Welcome again!
